ABOUT DWYD™

The Drink With Your Dog™ Project, created by Amber Quann of Summit Dog Training in 2018, offers education for breweries (and other dog-loving establishments), dog owners, and dog trainers, all about creating dog-friendly breweries and brewery-friendly dogs. The DWYD education courses are available as in-person workshops near Fort Collins, CO and Online around the globe!

FAQ

- What inspired the DWYD™ project?

Seeing a lot of potential issues in dog friendly breweries - issues that cause breweries to stop being dog friendly. We want to prevent that from happening!

- How much does a Brewery Manners class cost?

Current tuition is \$125 for the four-week class.

- How can all dogs be brewery dogs?

Not all dogs will enjoy being at the brewery. Our project is all about helping owners understand if this is something their dog will enjoy.

IN THE PRESS

- The Coloradoan
- 9News Denver
- The Denver Channel

"If we want to keep dogs in breweries . . . as dog owners, we need to step up our game and make sure dogs aren't causing any problems for the breweries." - Quann

"Dog skills are important, but I think in a brewery setting, where the environment is designed for people, dog owners (also) need to be equipped with the skills to help their dogs enjoy that setting." - Quann

THE DWYD™ TRIO

- **Certified Dog-Friendly Breweries:** Education program for breweries on reading dog body language, understanding dog behavior, and hosting dogs safely. Available as an in-person workshop & online class.
- **Certified Brewery-Friendly Dogs:** Group dog training classes held in breweries focusing on great brewery dog skills! 4 Weeks of Fun!
- **Certified DWYD Class Instructors:** Teaching other dog trainers all about hosting great brewery training classes. Available as an online class.
